PROFESSIONAL OBJECTIVE

Hello! I am passionate about software development, with extensive knowledge of programming languages such as **C#**. I have advanced knowledge of the **Onion architecture and handle the SOLID principles**. Additionally, I have experience using **Entity Framework for object-relational mapping (ORM)** in development projects. I also have experience working with **RESTful APIs using .NET Core**, as well as basic experience in **JavaScript and Python**. I am proficient in using **GitHub** for version control and collaborative development. I am seeking an opportunity to apply my enthusiasm for problem-solving through programming and contribute to the development of innovative solutions. I am eager to learn and grow professionally in a dynamic environment, applying my technical skills in designing and developing impactful applications. My goal is to continue learning and growing as a professional while working on solutions that create a positive impact. I look forward to being part of your team and contributing with my passion for programming and innovation!
